The Ironic Spectator is a profoundly arresting argument for our global and mediated times. With razor intelligence Chouliaraki slices into old debates, salvages what's still of use and structures new analytical constructs for the exploration of the possibilities of cosmopolitan solidarity in a 'post-humanitarian' world.

The Ironic Spectator: Solidarity in the Age of Post ...

WINNER of the 2015 ICA Outstanding Book Award This path-breaking book explores how solidarity towards vulnerable others is performed in our media environment. It argues that stories where famine is described through our own experience of dieting or or where solidarity with Africa translates into wearing a cool armband tell us about much more than the cause that they attempt to communicate.
