The Long Journey Home is a space exploration game that throws players into deep space where they must navigate danger, mystery and opportunity as they try to navigate their way home.

The Long Journey Home Review - IGN

We've made it to Tonga! But, our journey back home to Curiosity is going to be a long one. The borders are still closed and we must quarantine for 21 days before we're set free. Crazy! Regardless of our negative Covid-19 tests, all passengers from the repatriation flight are being treated and held in quarantine as if we have the virus.

About The Long Journey Home. There are a million worlds in the galaxy. Only one of them is Home. It was supposed to be a short test run - a quick flight to Alpha Centauri and back. But when mankind's first experimental jump drive goes wrong, a misfit crew finds itself trapped on the wrong side of the universe - alone, injured, falling apart.
