Magic - The Spruce Crafts

So let us summarize: magic, in the popular sense, is the art of imitation and trickery for the sake of entertainment. Magick is the real deal and like it, magik is the working of power, similar to real magic (magick), which pulls on natural energy from the universe. But where does that leave witchcraft? Simply put, they're all witchcraft.

Magic is the practice of Witchcraft that encompasses many different activities including divination, spell casting, and spirit communication. It includes the practices of many cultures, nations and religions as well as many books and writings from ancient times.

Magic | The Craft Wiki | Fandom

To find out why reasonable people are drawn to the seemingly bizarre practices of magic and witchcraft, Tanya Luhrmann immersed herself in the secret lives of Londoners who call themselves magicians. She came to know them as friends and equals and was initiated into various covens and magical groups. She explains the process through which once-skeptical individuals--educated, middle-class ...
