The Menehunes

from Polynesia. Many scholars attribute ancient structures found on the Hawaiian Islands to the Menehune.

However, others have argued that the legends of the Menehune are a post-European contact mythology and that no such race existed.

Menehunes - YouTube
Hawaiian legend has it that many centuries ago, the Menehune were a mischievous group of

Online Library

The Menehunes

small people, or dwarfs, who lived hidden in the forests and valleys of the islands before the first settlers arrived from Polynesia. These Menehune, who roamed the deep forests at night, were said to be about two feet (60 cm) tall, though some were as tiny as six inches (15 cm), small enough to fit in the palm of a hand.
