Welcome to The Modern Antiquarian, based on Julian Cope's epic guidebook of the same name and his equally epic exploration of Europe, The Megalithic European. Since launching in March 2000ce, the site has grown to be a massive resource for news, information, images, folklore & weblinks on the ancient sites across the UK, Ireland and Europe, thanks to the remarkable efforts of all those who contribute.

Stone circles, standing stones, megalithic sites...

An antiquarian or antiquary (from the Latin: antiquarius, meaning pertaining to ancient times) is an aficionado or student of antiquities or things of the past. More specifically, the term is used for those who study history with particular attention to ancient artifacts, archaeological and historic sites, or historic archives and manuscripts.The essence of antiquarianism is a focus on the ...

The Modern Antiquarian by Julian Cope (Hardback, 1998) for ...

In our post-modern age historians have less confidence in their ability to 'recover' the past with empirical certainty, but it is still possible to trace the influence of antiquarian thinking and methodology upon the historical discipline. For example, although historians from a social science background may not be accustomed to think of themselves as 'antiquarian' in spirit, they are perhaps as close as anyone today in the historical profession to the antiquarians of the past. They collect ...
