The Art of Leadership transformed. Old assumptions and old modes no longer hold; a new style of leadership that works has emerged amidst the chaos of change.

The New Leaders: Transforming the Art of Leadership ...

Transformational leadership is a model of leadership used across the spectrum of politics, education, entertainment, finance, technology, and other industries. "When you look at people that are good examples of transformational leaders, you think of the people that have had an impact, whether that's on an organization or on the country," Stein says.
