While the Blue Book (as it was called by students) used to be the must-have source for SAT prep, The Official SAT Study Guide, 2020 Edition, is mostly not worth purchasing. The book in its entirety—including its eight practice tests—is available for free online, so don't waste your money buying the book.

Questions will ask you to determine how something can best be changed to make the passage more effective and to make it extremely clear to the reader. This study guide will tell you the types of things you will be asked to do in this section of the SAT exam so you can practice needed skills before test day.
