If you want to clean your house in one day, it's important to follow a cleaning checklist. You may want to start by creating a full list of all the things that need to get done in your home. Once you have that list ready, you can begin by choosing a start and end point working through that blueprint until you finish.

### ~~Clean your House in One Day Checklist — Jeanette Giselle~~

One Day, One Room is a 3rd season episode of House which first aired on January 30, 2007. To punish House, Cuddy banishes him to the clinic. While dealing with a rash of suspected STD cases, he realizes one of the patients is a victim of rape. He tries to pass her off to someone more qualified, but the patient insists on being treated by House.
