The Golden Book Picture Atlas of the World Complete 6

This is the best atlas for children. It is full of useful facts (presented it an easily digestible form), interesting trivia, and great illustrations. My three-year-old daughter loves this book, and I like that it's a book that can grow with her (it's aimed at older children, but is accessible to younger children).

Lift-The-Flap Picture Atlas by Helen Lee—Goodreads

Inspired by the beautiful, The Picture Atlas, this exclusive resource pack is the perfect companion for adventurous teachers everywhere. Written by Simon Holland and illustrated by Jill Calder, The Picture Atlas is bursting with gorgeous artwork, informative maps and astounding facts that will take you and your class on a trip around the globe!
