The Postmortal A Novel

This is the question that lies at the heart of

Drew Magary 's debut novel, The

Postmortal. Told through what is

essentially a series of electronic diary

entries written by a man named John

Farrell, The Postmortal chronicles the

near-future where a cure for aging has

been discovered and humanity has taken

its first tentative steps toward immortality.

The Postmortal by Drew Magary

The Postmortal is told through the eyes of John Farrell, who gets The Cure at age 29. Told in short, journal-like chapters, newspaper articles, interviews, and social media feeds, the narrative stretches more than 70 years - at which Farrell remains 29. This is one of the most engaging books I've ever read.
