The Publisher is the story of Henry Luce, the founder of the Time publishing empire - Time, Life, Fortune, and Sports Illustrated - and a major figure in the American 1940s-1960s. It is a conventional biography - boy is born, boy does Great Things (but encounters troubles too), boy reflects on his achievements, boy dies - but is well-researched and benefits from an interesting subject.

Henry Robinson Luce was an American magazine magnate who was called "the most influential private citizen in the America of his day". He launched and closely supervised a stable of magazines that transformed journalism and the reading habits of millions of Americans. Time summarized and interpreted the week's news; Life was a picture magazine of politics, culture, and society that dominated American visual perceptions in the era before television; Fortune reported on national and international b

Henry Luce - Wikipedia

Alan Brinkley's "The Publisher" is an exquisite work of scholarship widely researched and even-handedly descriptive of the controversial Henry Luce. The book is a window on the life and times of the man who did so much to shape 20th-century magazine journalism. No one interested in recent U.S. history will want to miss this splendid biography.
