Balloon
The purple balloon signifies that a child is dying. Throughout the book the author continuously states that there will always be people around to help in times of need for the grieving family. While this is a difficult subject to talk to children about, it is also a very important one.

Ballon in the book.

The balloon's wings ripple below it, suggesting wings as it floats in the air, its face is calm and peaceful. The book also gives some concrete suggestions that children and their families can do to support someone facing a life ending illness.
