The Refusal Of Work The

The Refusal to Work documents a century's worth of thought on work. The majority of the thinkers and theorists he covers predicated a radically different future. Times Literary Supplement. I found Frayne's The Refusal of Work a fascinating book. Coming from a position of little exposure in these theories, it gave me a very concise run down of philosophical ideas and accounts around work ...

The Refusal of Work: Rethinking Post-Work Theory and ...

That's the ambitious challenge David Frayne takes up in The Refusal of Work. Drawing on substantial empirical research into the lives of people who are actively resisting employment—either by reducing their work hours to the minimum or by giving up work altogether—Frayne delves into the reasons that people disconnect from work, the strategies they develop for coping with not working in a society that demands work, and, perhaps most interestingly, what they do with their free time.
