The Scarlet School Trip is the 290th story arc of the Japanese manga series Case Closed, known as Meitantei Conan in Japan. The arc was published in Shogakukan's Weekly Shōnen Sunday magazine between August and September 2017 in issues 37 to 44 and consisted of 6 chapters. The individual chapters were then collected into tankobon volumes 94 and 95 which were released in Japan on December 18, 2017 and October 18, 2018 respectively. The majority were encapsulated into the 94th volume which ...

Maggie's success at the sleep-away trip with his school shows that he no longer uses home as a crutch. He feels comfortable enough with himself and his friendships to leave the security of his family and set out on his own: in a classic bildungsroman , a character's ability to leave home is a sure sign that he or she has grown up.

The risk of transmission on a school trip which includes an overnight stay away from the place of normal residence, is seen to be greater than the risks associated with a day trip. This is due to children, young people and adults from different families and households mixing and sharing facilities.

*Coronavirus (COVID-19): guidance for school visits and trips*

A field trip or excursion is a journey by a group of people to a place away from their normal environment. When done for students, as it happens in several school systems, it is also known as school trip in the UK, Australia and New Zealand, lakbay aral in the Philippines, ensoku (遠足) in Japan, Klassenfahrt in Germany and gita in Italy.
