The Secret Book of Gnomes. Gnomes, originally published in Dutch in 1976 as *Leven en werken van de kabouter* ( lit. 'Life and work of the gnomes' ), then released in English in 1977, is a fiction book written by Wil Huygen and illustrated by Rien Poortvliet. The book explains the life and habitat of gnomes in an in-universe fashion, much as a biology book would do, complete with illustrations and textbook notes.

Now, as a gnomes communicator myself, I find that there is a growing wealth of books on contemporary contact with gnomes and fairies. And I discovered that there was a sequel to "Gnomes" in which the author and illustrator are contacted by gnomes and guided into the gnome world for a closer look into the realities of gnome life.
