The Sense of an Ending (film) - Wikipedia
The Sense of an Ending begins with a set of disjointed images—all memories of Tony Webster, the narrator and protagonist—beginning with a “shiny inner wrist” and ending with cold bathwater behind a locked door. Tony reflects that he still doesn’t understand time very well, even though it’s formed and molded him.

The Sense of an Ending (2017) - Plot Summary - IMDb

The end of Barnes' book shows us Tony trying to make sense of Adrian's end, but also his own life as it nears its unsatisfactory ending. As a title, it seems to have so many appropriate connotations – possibly, contentiously, that Adrian's decision to end his life makes sense.

Julian Barnes, The Sense of an Ending - I am who I am I am ...

The Sense of an Ending takes its name from a 1967 book of literary criticism by Frank Kermode, which studies how fiction imposes cohesive structures and coherent narratives onto what might otherwise seem like chaos, especially in uncertain times of history. Barnes's novel is similarly concerned with how all people, not just writers, construct certain selective narratives about themselves and ...

Kermode's topic, that things of this life require a sense that a beginning and an ending exist, feels on first glance absolutely correct all the time. But his claim that we need definitive endpoints to feel a sense of purpose works for novels (the genre he discusses most frequently) does not necessarily show itself true in the short story genre.
