Jane Harper, an undercover government agent who 's

quick with her wits and fists, knows punishing cold and

dwindling supplies are to be feared. But in the ruins of

an ancient Nordic outpost, a centuries-old message

warns of a threat far worse: the Draugar —the dreaded

“again walkers” of Viking lore, the terrifying living dead

that spawned the legends of vampires and zombies.

The Sentinel (Jane Harper Horror): Bishop, Jeremy ... Told from the POV of caring-but-snarky, intelligent-but-relatable Jane Harper, The Sentinel tells the story of a group of marooned whalers and anti-whalers who have to join forces to stave off an undead enemy that becomes more powerful with every life it claims.

The Sentinel by Jeremy Bishop - Goodreads
Jane Harper entered the pages as an interesting character. She would soon lend herself to a sarcastic wit that I identified with. She at times becomes self deprecating in a humorous sense that made this character real.

In the frigid waters off the Arctic Ocean, north of Greenland, the anti-whaling ship The Sentinel, and her crew face off against a harpoon ship in search of Humpback whales. When the two ships collide and a suspicious explosion sends both ships to the bottom, the crews take refuge on what they think is a peninsula attached to the mainland, but is actually an island, recently freed from a glacial ice bridge.
