It focuses on: solutions - not problems; in between: the action is in the interaction; make use of what's there; possibilities - past, present and future; and language. Every case is different. The trouble with traditional approaches to people problems is that they assume a straightforward relationship between cause and effect, between a problem and its solution.

Our online trainings enable amazing groups of people from all over the world to be together, to learn and share on a deep and personal level. Even virtually, we create real connection, meaning and change. Solutions Focused coaching has the power to bring people closer together in conversations that are completely absorbing.

~~The Solutions Focus—The Solutions Focus~~

Solution Focus is part of the new wave of thinking about effective change that includes Appreciative Inquiry, Positive Psychology and NLP. Unlike previous 'big ideas' of the 1990s like business process re-engineering and downsizing (with all the disruption they entailed), Solution Focus is a big idea that focuses on small steps and keeping it simple.
