Shane Alexander – Spaces in between Lyrics | Genius Lyrics

In writing, a space () is a blank area that separates words, sentences, syllables and other written or printed glyphs. Conventions for spacing vary among languages, and in some languages the spacing rules are complex. Typesetting uses spaces of varying length for specific purposes. The typewriter, on the other hand, can accommodate only a limited number of keys. Most typewriters have only one width of space, obtained by pressing the space bar. Following widespread acceptance of the typewriter,
