Jane is living the perfect life, loving husband, beautiful house and delightful son George.

The Square by Rosie Millard

The Square is the second book in the Shape of Love series. It follows the first book, The Triangle. And its a wild ride. We return to our main characters, Alex, Christine, and Danny (in that order, Alec tells us). Yes, this is an MMF book, but it really is something more.

The Square (Shape of Love, #2) by J.A. Huss

SquareBook is here to demystify, unbundle and enhance the IPO process – connecting issuers, investors and intermediaries directly to ensure alignment of long-term interests between firms looking to raise capital on public markets and their investors. Our suite of products brings innovation, automation and transparency to the listing process, removing conflicts of interest inherent in book building, pricing and allocating of shares.

Square Books is a general independent bookstore in three separate historic buildings on the town square of Oxford, Mississippi, widely known among readers as the hub of William Faulkner's "postage stamp of native soil," Yoknapatawpha. The main store, Square Books, is in a two-story building with a cafe and balcony on the second floor; Off Square Books is a few doors down from the main store and has lifestyle sections such as gardening and cookbooks; and Square Books Jr, the children's bookstore.
