Type a place or address into the search field on Google Maps and then look for the little yellow Pegman icon in the bottom right corner (shaped like a little person). If you can't see the Pegman, try just clicking the street in front of where you want to use Street View. Click on the pop-up at the bottom of the screen.~~

How will my home be valued? The agent will visit your home to inspect the property and use their local market knowledge to provide you with an estimated value. They can also suggest the highest price they think your home could achieve. It is usually worth approaching two or three agents and remember, you're not committed to using any of them.

Grand Designs: The Street focuses on Graven Hill and followed the first 10 ground-breaking pioneers as they built their very individual homes to form a street, and ultimately a community, like no other in Britain. The series explored how self-build can be for everyone - whether you are retiring, a first-time buyer, upsizing or downsizing.

This is my Street is more akin to the New Wave films of the period though, despite being set in Battersea in London, focusing as it does on people who feel trapped and are looking for ways of escaping. The central character is Marge or Margery Graham (June Ritchie), married to Sid (Mike Pratt) with a four year old daughter Cindy, living in a narrow terraced house backing on to the railway next ...
