The Three Cornered World Natsume

The Three-Cornered World By Natsume Soseki (1867-1916) This short novel, written in the first person, is the story of an artist (maybe the author himself) who is tired of the stress of city life in Tokyo. He decides to travel to a mountain region to resource himself in nature and a quiet.

Beautifully written, humorous and filled with bitter-sweet reflections on the human condition, The Three-Cornered World was intended as a unique haiku-novel with a mood utterly different to anything ever produced in the West. Demonstrating along the way a mastery of everything from Western painting to Chinese literature, Soseki succeeded in an artistic tour-de-force that produced what legendary recording artist Glenn Gould would simply refer to as his favourite book.

The Three-cornered World - Peter Owen Publishers

'The Three Cornered World' is a novel about being an artist. The unnamed protagonist, a painter, escapes city life for the tranquility of the countryside - the world of nature - to work. There are a number of reflections on what makes an artist: someone who strives to transcend reality in an artistic realm beyond the shackles of thought and necessity; inhabiting the art form in a trance-like oneness.
