The good news is that the Bible provides a road map that empowers us to live in peace instead of fear. In his four-week series, Tipping Point, Pastor Jimmy Evans takes a close look at biblical prophecies connected to the end times to help us understand what's ahead and build our faith and hope in Jesus.

understand how social epidemics happen, and whether it's possible to start and control them. There are three ways to understand social epidemics: in terms of the people who cause them; in terms of the content of ...

~~The Tipping Point by Malcolm Gladwell Plot Summary | LitCharts~~

The Tipping Point by Malcolm Gladwell is a book about how small actions at the right time, in the right place, and with the right people can create a "tipping point" for anything from a product to an idea to a trend. Gladwell is not a sociologist, but he relies on sociological studies, and those from other disciplines within the social sciences to write articles and books that both the general ...

~~Thrilling Post Apocalyptic Survival Series Surviving The Fall Series Book 9~~
Malcolm Gladwell

Tipping point is definitely a book that should open the eyes of believers and nonbelievers. No one on earth knows when the Lords return will be, but God gave us things to watch and be ready for His return. What a great day that will be. Pray that each reader receives eyes of understanding. One thing is for certain, it could be any day!

The Tipping Point is his debut book, and it was a massive hit – not least due to the value it created for businesses and marketers, who now had the first sketch of a blueprint on how to promote their ideas better. Here are the 3 lessons from the book that will help you spread your own ideas:

~~The Tipping Point Summary Four Minute Books~~

The Tipping Point was Gladwell's first successful book, which he adapted from an article he wrote about the drop in crime in New York City and the social movements that made it happen. Gladwell knew something that all social media marketers would need to know just a few years later. He saw what made people attracted to ideas and products.
