The True Believer: Thoughts On The Nature Of Mass Movements is a non-fiction book authored by American philosopher Eric Hoffer. Published in 1951, it depicts a variety of arguments in terms of applied world history and social psychology to explain why mass movements arise to challenge the status quo. Hoffer discusses the sense of individual identity and the holding to particular ideals that can lead to fanaticism among both leaders and followers. Hoffer initially attempts to explain the motives

Somewhere back in college I became familiar with *The True Believer: Thoughts on the Nature of Mass Movements*. It was one of those books I'd heard of, but never read, despite owning several used copies of it. Recently on twitter I posted a quote of Hoffer's that I'd found years ago, which led to a conversation and actually reading the book.
