The Village Shop (Shire Library): Amazon.co.uk: Bensley, Lin

About The Village Shop. Once the social and commercial core of the rural community, the village shop has become as much the victim of the accelerating pace of social and economic change as the parish school and pub, and has now almost entirely disappeared from everyday life. This book charts the development and history of the village shop and ...

Amazon.co.uk: Customer reviews: The Village Shop (Shire)

This book by Lin Bensley continues the tradition of Shire Library Books which focus on looking back at various facets of British life. This book covers the pre-village store era and then the village store from around 1500 to the present day. The book is well illustrated with an informative text and what I particularly like is the wide geographical spread of village stores that are covered ...
