Book Description. If

Download Free The Visual

Factory
you're aware of the
tremendous
improvements achieved
in productivity and
quality as a result of
employee involvement,
then you'll appreciate
the great value of
creating a visual factory.
This book explains why
conventional work
areas, where fragmented
information flows from
"top to bottom," must be

Download Free The Visual

replaced by the "visual workplace," where information flows in every direction.
