Depression And Orthomolecular Alcoholism Treatment

Depression often co-occurs with alcoholism. Whether alcoholism causes depression or vice versa is open to debate, but what is certain is that orthomolecular medicine

## File Type PDF The Vitamin Cure For Alcoholism Orthomolecular Treatment Of

can alleviate depression also. Depression, in the eyes of the orthomolecular physician, is also as a result of molecular imbalances which can be righted with supplements and vitamins.

### Orthomolecular Alcoholism Treatment - Vitamins For Alcoholics

"Niacin is the most important single treatment for alcoholism, and it is one of the most reliable treatments. And it is safe, much safer than any of the modern psychiatric drugs. Niacin does not work as well when alcoholics are still drinking but in a few cases it has decreased the intake of alcohol until they were abstinent.
