Real Theology And Sanity

Read Free Theology And Sanity

Sanity means seeing the world as it really is; not deceiving ourselves that the world is different than it really is. If we can do that, then we are seeing things correctly and have "sanity". However, not seeing the world and God as they truly are does not mean you are insane, in the mental aspect of the word.

Theology and Sanity. by. Frank Sheed.
4.52 · Rating details · 841 ratings · 55 reviews. One of Sheed's most popular books, this ideal volume for the layman shows the practical aspects of theology in the life of a Christian believer. Logic, clarity, and simplicity permeate this eminently readable book.

~~Theology and Sanity by Frank Sheed - Goodreads~~

About Theology & Sanity. Frank Sheed has revised and updated his masterpiece. Theology and Sanity in its new form retains all the fire and clarity of the original, is still profoundly committed to - and itself a fine example of - the rationality of Christian faith; but now takes full account of the many changes which have taken place in the Church in the thirty-five years since the first edition was published.

MY concern in this book is not with the will but with the intellect, not with sanctity but with sanity. The difference is too often overlooked in the practice of religion. The soul has two faculties and they should be clearly distinguished. There is the will: its work is to love—and so to choose, to decide, to act. There is the intellect: its work is TO KNOW, TO

~~Forward—ParishPlus~~

Theology and Sanity is simply one of the best books on the Catholic faith ever written. It offers clear thinking (sanity) when it comes to God and what he has created (everything else). This book revolutionized my life when I first read it over thirty years ago. I was then an Evangelical Protestant and a fan of C.S. Lewis.

Theology and Sanity Continuing my recent foraging through the dusty recesses of my personal library, I pulled from the shelf Frank Sheed ' s Theology & Sanity. Browsing through its pages I was reminded once again of the richness and vigour of Sheed ' s apologetics and the way it epitomized the vibrant Catholic evangelism of the pre-Vatican II Church.
