Synopsis. The term " art cinema " has been applied to many cinematic projects, including the film d ' art movement, the postwar avant-gardes, various Asian new waves, the New Hollywood, and American indie films, but until now no one has actually defined what " art cinema " is. Turning the traditional, highbrow notion of art cinema on its head, Theorizing Art Cinemas takes a flexible, inclusive approach that views art cinema as a predictable way of valuing movies as " art " movies—an ...
