Reproducible Series - Theory Time

The Theory Time workbook series will enrich the musical studies of every student. The series will complement any music method a student is using if studying piano or another instrument, or it will serve as an independent music theory course and teach students the fundamentals of music in general (from beginning through advanced).

I love these Theory Time workbooks for my kids.

Learning music theory is just as important as learning to play the instrument. Things that seem like common sense to adults aren't always common sense to kids.
