Tiki Pop Imagines Polynesian Paradise
After years of hunting down pieces of the
puzzle of Polynesian Pop, Kirsten has
developed a singular insight into the Cult
of Tiki and has become the country's most
eminent Tiki archaeologist.

Tiki Pop America Imagines Its Own
Polynesian Paradise TIKI ...

While the Tiki style has seen a recent revival in the United States (with the reopening of cocktail bars, for example), the exhibition TIKI POP America imagines its Polynesian paradise explores the rise of this unique phenomenon in American culture, its peak in the 1950s, its decline in the late 1960s and its neglect in the 1980s.

Tiki Pop. America imagines its own
Polynesian Paradise ...

A look into the subconscious of America,
questioning the American dream of having
a family, owning a home a getting a well-
paid job OR escaping from it! These faux
Polynesian temples of bars, restaurants,
theme parks, motel resorts or bowling
alleys were the perfect escape and it is
making a comeback thanks to books like
Tiki Pop.

Tiki Pop: America Imagines Its Own
Polynesian Paradise is a fascinating look
at the U.S. love affair with Tiki from
scholar Sven Kirsten. Published by
TASCHEN , the book looks at the links
between the real Maori cultures and the
American renditions, examining the
similarities and the points of divergence
through amazingly evocative and well-
sourced imagery, and charting the
movement's downfall in post-colonial
times.
