Time Travelling with a Hamster is packed full of mischief, adventure, family, friendship, grief, love, time travel, random facts, and of course, not forgetting the pet hamster. This story also has a good mix of characters, but not too many to keep track of. I love Grandpa Byron. What an interesting character he is.

Heat can be dangerous, so avoid putting your hamster around drafts or heaters, as well as direct sunlight. It is best to travel early or late in the day to avoid heat, if you travel in a hot area. If you are staying at hotel or campground, double check that pets are welcome. Do not let the cage move or bump around a lot.
