Timeline by Michael Crichton, Paperback | Barnes & Noble®

The late Dr. Michael Crichton is the author of a great many gripping novels, but a Amongst them."TIMELINE" stands as arguably his greatest. Teleportation is a thing of fantasy, but in the hands of a great writer one might be forgiven for confusing this delightful fantasy with hard scientific fact.

Timeline: Crichton, Michael: Amazon.com: Books

-- Michael Crichton, Timeline. I'll admit it right up front: I don't like historical fiction much. When authors are sloppy in their research, I find the inaccuracies distracting enough to ruin what might otherwise be a good story. But even when the representation of the past is largely authentic (and to be fair, there are some extraordinary ...

Review of Timeline by Michael Crichton - ThoughtCo

Timeline is a 2003 American science fiction adventure film directed by Richard Donner and starring Paul Walker, Frances O'Connor, Gerard Butler, Billy Connolly, David Thewlis, and Anna Friel.Based on Michael Crichton's 1999 novel of the same name, the screenplay concerns a team of present-day archaeology and history students who are sent back in time to medieval France, to rescue their ...
