Cort Play Along

Make sure your speed will be easy to play along with: 70 to 80 beats per minute is ideal for novice players. This is slower than many songs are normally sung, but still fast enough to keep the roll flowing. If you have a metronome, set it between 70 and 80, and play your strums (or your “boom” s) right with each downbeat click.

Play-along tracks can help you practice your timing and improv, work on specific techniques, try out various beats and fills in different styles, and even improve your ability to play in odd time. They provide an opportunity to apply the skills you ' ve been working on in a musical context, and they ' re typically much more enjoyable than playing to a metronome .
