### Toyota Paint Programme Toyota Tech

The Toyota Body and Paint Programme is designed to raise productivity and efficiency within the official repair network, improve customer satisfaction, and maintain optimum quality through the sole use of original equipment parts. Toyota GB cares for 198 Toyota and 52 Lexus franchise operations, but not every dealership has its own bodyshop.

### What is the Toyota Body and Paint Programme? – Toyota UK

The first step in repairing Toyota / Lexus 3-stage colors is to create a let-down panel which will help identify the number of mid-coats required to match the original finish. This can be created on individual spray cards or on a color card / plate. 1. Apply the ground color basecoat to the entire panel.
