The Prado LandCruiser transmissions are one of the most common vehicles we service and maintain for our customers. The 5 speed is fitted with the A750F transmission and the later models have the 6 speed AB60F. We recommend both the Prado and LandCruiser transmissions should be serviced every 40,000 km or 24 months under normal driving conditions. Under more severe driving conditions, such as towing and off road driving, the service interval should be reduced.
