between the proverbial immovable object and the irresistible force. However, National Tractor Pullers Association leads the way in brute force with jaw-dropping displays of supreme horsepower. The object of

File Type PDF Tractors Pull

pulling is to pull the weight, which becomes progressively heavier via a machine called a sled, down the track as far as a competitor and their machine can take it.

Acceleration (drag racing)
or heavy pulling takes low-
end torque. Antique tractor
pulling is "supposed" to be
