Troilus and Cressida is one of Shakespeare's later plays, written shortly after Hamlet (1600-01), but before the other great tragedies. Composed around 1602, it was probably performed in the winter of 1602-3, but no record of the performance survives, and the play itself was not published in a collection for six more years.

Troilus and Cressida isn't one of Shakespeare's most popular plays, however it has to be one of my favourites. The setting is 7 years into the Trojan War and the portrayal of the soldiers' disillusionment could easily be imagined in a contemporary setting. Against this background is a lovers' romance, but it is anything but romanticised.
