Tv Guide On Screen Interactive Program

An electronic program guide or EPG is an interactive screen guide found on set-top boxes, mobile apps, and websites. It is best known as a "TV Guide" that cord-cutters and streamers use for live television. In addition, IPTV subscribers often use an EPG when surfing or browsing through their various channel options.

Re: interactive tv guide too small to read I would agree with the 6-15 foot distance. However, now with high definition, movie producers seem to take more liberties and show screen shots of cellphone text messages and little notes, etc, that I can't make out without pausing and zooming or getting up closer.
