Health insurance is a contract between you and your health insurer to cover your medical expenses. Your health insurance company helps pay for some or all of your medical care, depending on the type of insurance plan you have. Talk with your diabetes care team to find out what parts of your care are covered by your plan.

Understanding Health Insurance - NovoMedLink

Health insurance is a product that covers your medical expenses. Like auto insurance covers your car if you get into an accident, health insurance covers you if you get sick or injured. Health insurance also covers preventive care – i.e., doctors visits and tests before you get sick. In this article: Health insurance basics
