System V Release

# Online Library Unix System V

4 (SVR4) was commercially the most successful version, being the result of an effort, marketed as Unix System Unification, which solicited the collaboration of the major Unix vendors. It was the source of

# Online Library Unix System V

several common  
commercial Unix  
features. System  
V is sometimes  
abbreviated to  
SysV. As of 2020
