Buy Using Value-Focused Thinking to Evaluate the Use of Innovative Stormwater Management Technologies on Air Force Installations by Jeffrey T. Falcone (ISBN: 9781288368655) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

~~Using Value Focused Thinking to Evaluate the Use of---~~

Value-focused thinking helps uncover hidden objectives and leads to more productive information collection. It can improve communication among parties concerned about a decision, facilitate involvement of multiple stakeholders, and enhance the coordination of interconnected decisions.

~~Creativity in Decision Making with Value-Focused Thinking~~

We apply value-focused thinking to define and structure the objectives of the stakeholders and use multiattribute utility theory to evaluate the preferences of the stakeholders toward these objectives. The results show that 8 out of 11 stakeholders prefer the energy transition alternative with the highest climate protection ambitions.
