Waging Peace in Our Schools. Argues that schools can and should play a critical role in stemming youth violence and describes the Resolving Conflict Creatively Program, a program that schools can use in creating safe, caring communities of learning for children. It shows how the ability to manage emotions, resolve conflict, and interrupt biases are skills that can be taught to school children.

...

Our shared background is in one particular school-based program that combines the teaching of social and emotional skills with training in conflict resolution and diversity issues. The Resolving Conflict Creatively Program (RCCP), began as an initiative of the New York City branch of Educators for Social Responsibility (ESR Metro) and the city's board of education.
