At first glance the Querkles are nothing
but a seemingly random arrangement of
indecipherable overlapping circles but
cunningly hidden within each one is a
famous face waiting to be revealed.

Great fun, especially for fans of Wallace and Gromit. A bit larger in size than the other querkles books. A nice addition and a great way to try out color combinations and see different results. Only drawback I can see is the pages are not perforated as in the other books so need to cut out or leave in book.
