Wealth Creation Poverty And Ecology In Africa

According to the Western media, poverty is endemic to this region. It follows, therefore, that “wealth” cannot be created in this part of the world; it is anathema to even think of creating wealth in such a hopeless and deplorable environment. Remember the [infamous] Heavily Indebted Poor Country (HIPC) Initiative?

on Poverty, Wealth and Ecology is planned to take place in Nanjing in 2012 in order to synthesise findings and draw up a common message to the 2013 WCC Assembly in Busan on the structural causes of and ways to deal with the interlinked problems of escalating poverty, inequality and environmental destruction.

Poverty, Wealth and Ecology in Europe

and taking great care of creation.3 The major achievement that this project will have contributed to by 2013 is to have provoked a shift in churches’ understanding and actions on poverty, wealth and ecology. Churches would have reflected on the issue by proposing a definition of a ‘greed line’ to stand next to

Poverty, Wealth and Ecology: The Impact of Economic ...

At the 9th General Assembly of the WCC held in Porto Alegre in 2006, it was proposed during the Ecumenical Conversation that had focused on "the scandal of poverty" that churches and partners in the ecumenical movement embark on such a study process to address the dearth of reflections and analysis on wealth and how wealth creation is related to poverty and ecology.

The study process on poverty, wealth and ecological debt ...

Wealth creation through business has been and continues to be a key driver for this welcome progress. We also acknowledge the remaining challenges of poverty and environmental issues, but we must learn from history and ask the relevant questions. There are rallying cries about fighting poverty, and the question is often asked: what causes poverty?
