In this section,
we will see how

Download Free Weathering And

Soil is formed,
we will see why
all soils are
not the same,
and we will see
what the soil
looks like in
different
biomes. You may
recall from the
rock cycle that
soil is formed
from the
weathering of

Download Free Weathering And

rocks, but this is just one piece of what goes into soil formation.

Why It Matters: Weathering and Soil Formation | Geology

Soil is made up of four things: rock fragments, dead and living

Download Free Weathering And

things, water,
and air. The
parent material,
which is

generally a huge
rock, breaks
down into
smaller pieces
with the help of
rains and winds.
