HI125 History of the World Civilization to 1500 This course is a survey of the major civilizations of the world from the first developed societies of Mesopotamia (3500 B.C.E.) through the European exploration of the "New World" up to 1500 CE. This course is designed to examine the social, political, economic, and technological events that have shaped world societies from prehistory to 1500.

History of the World Civilization to 1500 – EDUKAN Online ...

This course will present an overview of world history from the time when civilizations first produced written records until the beginning of the modern period, roughly the year 1500. At its core is a narrative presentation constructed along broad lines aimed at giving students basic competence in the wide sweep of pre-modern human history.

World History to 1500

World History and Geography to 1500 a.d. (c.e.) These standards will enable students to explore the historical development of people, places, and patterns of life from ancient times until 1500 a.d. (c.e.) in terms of the impact on Western civilization. The study of history rests on knowledge of dates, names, places, events, and ideas.

World History and Geography to 1500 A

Revealing ® World History Before 1500's area-focused coverage highlights the regional nature of early history that began to change at the dawn of the Early Modern Age as ocean navigation resulted in more interregional interaction. The regional coverage also helps students appreciate some of the distinctive characteristics and features of individual societies that can still be seen in various cultures today.
