Yellow crocus held me transfixed, rapidly turning the pages to see what would taken next. All in all a well written heart -warming story that left me emotionally spent, feeling great compassion for both Mattie and Lisbeth, because although they came from the extreme opposite side of the tracks they both had their own struggles to survive.

Yellow Crocus -is a flower that blooms in the most adverse conditions. What a great name for this Novel, makes you appreciate the thought the author put into this book. This is a short novel and as I have been having a

~~Yellow Crocus by Laila Ibrahim - Goodreads~~

Crocus flavus, known as yellow crocus or Dutch yellow crocus, is a species of flowering plant in the genus Crocus of the family Iridaceae. It grows wild on the slopes of Greece, former Yugoslavia, Bulgaria, Romania and northwestern Turkey, with fragrant bright orange-yellow flowers which Tennyson likened to a fire.

You ' ll think it ' s done so when the Dutch yellow crocus opens its large sunshine yellow blooms in the early part of spring. Just looking at them as they bloom each year, is sure to fill you with the joy and warmth of the new season. Yellow Dutch crocuses have a long life and are both vigorous and robust.

~~Crocus 'Yellow' bulbs - Buy online at Farmer Gracy UK~~

"Yellow Crocus" is an unintentional family, love story of sorts. Mattie, a black slave, came to be the wet nurse for Lisbeth, a child who didn't necessarily receive the love and appreciate of her white family. I do not believe that there was enough consideration given to the roles of the slaves, especially since Mattie spent her time indoors.

Saffron 'threads', plucked from crocus flowers and dried. Saffron (pronounced / s æ f r n / or / s æ f r n /) is a spice derived from the flower of Crocus sativus, commonly known as the "saffron crocus". The vivid crimson stigma and styles, called threads, are collected and dried for use mainly as a seasoning and colouring agent in food. Saffron has long been the world's most ...

~~Saffron - Wikipedia~~

Crocus (English plural: crocuses or croci) is a genus of flowering plants in the iris family comprising 90 species of perennials growing from corms. Many are cultivated for their flowers appearing in autumn, winter, or spring. The spice saffron is obtained from the stigmas of Crocus sativus, an autumn-blooming species.

~~Crocus - Wikipedia~~

I feel that books such as Yellow Crocus contributes to this by romanticizing relationships between the slaves and whites and by glossing over the brutality that was put upon them. This is something our nation needs to change so POC can move from anger to grief to healing. This MAY be why they are understandably angry (amongst many other reasons).

~~Amazon.com: Yellow Crocus (9781477824757): Ibrahim, Laila ...~~

Upright, later spreading, evergreen shrub with dark green leaves, spiny branches and bunches of small white flowers in late spring. These are followed by a profusion of bright yellow berries in autumn. It is for these showy berries that it is grown, providing colour in the garden when there is little else.

An early blooming Crocus chrysanthus, 'Romance' is the perfect shade of butter yellow, without a hint of orange. 'Romance' is a petite variety, no more than two to three inches in height, and looks best when planted in groups of 25 or more.

~~14 Beautiful Crocus Varieties to Plant - The Spruce~~

Crocus x luteus 'Golden Yellow' is a vigorous, clump-forming crocus bearing large, bright golden flowers slightly dark striped at the base. Blooming occurs in early spring. The calyx-shaped flowers open only when the sun shines or when there is a lot of light; they close up in rainy weather and at night.

~~Crocus x luteus 'Golden Yellow' - Gardenia.net~~

Exceptional in pots and at naturalising, Yellow Giant is a delightful golden yellow crocus which prefers to be grown in cooler conditions. It has also been presented with the RHS Award of Merit. Crocus is a genus of about 75 species. It is a native of the Mediterranean and gets its name from the Chaldean word for saffron.
