Zen To Done (ZTD): The Simple Productivity System. By Leo Babauta. “It’s about the habits and the doing, not the system or the tools.” In order to capture the essentials of being productive & organized, while keeping things as simple as possible, I’ve developed my own productivity system: Zen To Done (ZTD). ZTD captures the essential spirit of the new system: that of simplicity, of a focus on doing, in the here and now, instead of on planning and on the system.

The Little Handbook for Getting Stuff Done zen habits

GTD is actually a series of habits (see Zen To Done for more), and the problem is that we try to adopt them all at once. If you’ve been reading Zen Habits for awhile, you know that you’re more likely to be successful if you try to adopt one habit at a time. Try that with GTD — just do one habit first, then the next, and so on.
